

Visitor Information

Location

Point Robinson Park
Vashon Troll

3705 SW Point Robinson Road
Vashon, WA 98070

Park Hours & Info

8am to dusk. Point Robinson, located roughly 12 miles from the Vashon ferry terminal, is a 10 acre shoreline park and historical marine conservancy, boasting extensive sand beach shoreline, a saltwater marsh, upland woodlands and dramatic views.

Parking

There are two parking lots, Upper and Lower (ADA accessible). The lower lot is closed to general traffic.

Trail Accessibility

There are two short trails through Point Robinson Park. The shorter trail from the lower parking lot includes an incline. The walk from the upper parking lot is less than 0.5 miles.

Restrooms

There is one ADA accessible portable restroom in the lower lot.

Public Transportation

There is no public transportation directly to Robinson Park. However, bus service runs North/South through the island.

Troll Pro Transpo Tip

There is a ferry to Vashon Island from West Seattle (Fauntleroy).
This is a good 2-troll in one day adventure.

Oscar the Bird King

He swam here from the island
where his mother once had
birthed him,
He walked across the
mountains 'til his giant feet
start hurting,
He spoke a crow, a little girl,
the Orcas heard him sing
He used to be a little troll now
Oscar is the Bird King.

Ferry Info

Vashon Island is accessed by ferry only. Ferries depart from Fauntleroy in Seattle, Point Defiance in Tacoma, or Southworth near Port Orchard. Please visit WSDOT for ferry routes and schedules from your nearest terminal, or download the WSDOT or Ferry Friend app.

Geocaching

Adventure highlights

This adventure takes you on a tour across Vashon Island and some of its many murals and a creative art spot on the way to the Bird King.
